

About the Director

Lisa Turnacliff—Center Director

I am the Director at the Hartland All About Learning Center. I have been with All About Learning since January of 2001. I earned my Bachelors Degree in Sociology from UW-Parkside. I was drawn to All About Learning because of their philosophy of putting “Children First”. Being a parent myself I know the importance of a safe and nurturing environment for children.

Corinn Schailowski—Program Director

Our Educational Program is designed with one thing in mind.. the children. All About Learning goes beyond the extensive state regulated requirement to meet the National Accreditation standards required by NAC. Your child’s developmental growth, education, exploration and play is very important to me. I have worked for All About Learning since October of 1998. I am also a mother of 3 wonderful boys. I look forward to working with you and your children. Please stop in anytime for a tour.
